

Human Trafficking & Social Media

Warning! Human traffickers and smugglers provide false information about migration in order to make money for themselves. They do not care about the people they are smuggling. Working with traffickers and smugglers is very dangerous. Traffickers and smugglers often target young people. They advertise their business in schools, religious centers, and neighborhoods.

Things to know:

- > Human traffickers are criminal groups and are very dangerous.
- > They lie about promising to escort migrants during the journey, having connections along the route, and being able to get fake travel documents.
- > They share fake photos and videos that pretend to show migrants happily living in Europe. These are not real.
